

Rural yet Accessible

TxAeroSport Aerodrome is north of the Dallas/Fort Worth Metroplex. DFW has a population of 6.2 million and virtually every amenity imaginable. The rings on this map show the 10, 20 and 30 mile distances from the airpark. In twelve minutes, you can be in Sherman. In thirty minutes, you can reach much of Frisco and McKinney.

Distances to area Airports				
		By Air	By Car	Comments
